

# GLOW THE DISTANCE FOR MATS 5K RACE COURSE

The race starts at MUS. Turn right out of the parking lot drive-thru side onto Main St, run all the way to Fairmont Ave. (right behind back side of Koch Foods). Turn around, and run all the way down Main St. to just before Evans St. (right before HomeTrust Bank Foods plant). Turn around and run back to MUS into the entrance you started from. *\*As you are running please don't spread out into both lanes of the road, keep to the right lane as you run\**

**\*\*\* You will NEVER leave Main Street on this course until you are turning back into MUS to cross the finish line.**

We made the change to the course due to the high volume of vehicle traffic in the back parking lot on Saturday nights. Safety above all else and we feel this will make things easier for the racers.
